THE TICKET TO LIFE (TTL)

is a flagship project of the Asia-Pacific Support Centre of the World Organization of the Scout Movement to integrate children and youth in especially difficult circumstances (CEDC) through Scouting. Since 2006, the TTL Project has been helping young people cope with daily challenges by involving them in Scout programme; guiding them to take care of themselves; and learn new life skills. TTL Scout Troops exist in Bangladesh, India, Indonesia, Nepal, Philippines, Myanmar, and Thailand. In 2021, the project has several new Scout Troops in addition and expanding to Bhutan and Malaysia.
