BETTER WORLD FRAMEWORK SERVICE

Find resources,
e-learning courses and
direct support

The screenshot shows the Scouts website's 'Better World Framework' service page. At the top, there's a navigation bar with the Scouts logo and the tagline 'Creating a Better World'. The main header includes links for 'SERVICES', 'REQUEST A SERVICE', 'ABOUT', and 'LOGIN'. Below the header, a breadcrumb trail reads 'WOSM Services > Better World Framework'. The main heading is 'BETTER WORLD FRAMEWORK'. The text explains that Scouts worldwide contribute to achieving the Sustainable Development Goals (SDGs) through community service. It mentions that NSOs' Youth Programmes offer young people to learn about the needs of their local communities and take their first steps to creating a better world. It also states that in this service area, users will find a variety of National, Regional and World initiatives that inspire NSOs to align community service with SDGs and education for sustainable development. A section titled 'You can also ask for support in implementing some of our flagship initiatives or align your national community development actions with SDGs.' is followed by a grid of seven initiative boxes: 'MESSENGERS OF PEACE PROGRAMME', 'SCOUTS OF THE WORLD AWARD', 'WORLD SCOUT ENVIRONMENT PROGRAMME', 'SCOUTS GO SOLAR', 'PATRIMONITO SCOUT BADGE', 'DIALOGUE FOR PEACE PROGRAMME', and 'ALIGNING COMMUNITY DEVELOPMENT WITH THE SDGs'. To the right of the text, there is a graphic titled 'Better World Framework intro' and 'resources:' showing various Scout-related icons and a play button icon.
