# Report of the Independent Auditor on the Consolidated Financial Statements to the World Scout Committee of the World Scout Bureau, Geneva

### Report of the Independent Auditor on the Consolidated Financial Statements

As independent auditor, we have audited the accompanying consolidated financial statements of the World Scout Bureau which comprise the consolidated balance sheet, consolidated statement of operations, consolidated statement of changes in funds, consolidated cash flow statement and notes for the year ended 30 September 2022. In accordance with Swiss GAAP FER 21, the Performance report is not subject to the audit of the financial statements.

#### Steering Committee's and Secretary General's Responsibility

The Steering Committee and the Secretary General are responsible for the preparation of the consolidated financial statements in accordance with the Swiss GAAP RPC. This responsibility includes designing, implementing and maintaining an internal control system relevant to the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error. The Steering Committee and the Secretary General are further responsible for selecting and applying appropriate accounting policies and making accounting estimates that are reasonable in the circumstances.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Swiss Auditing Standards. Those standards require that we plan and perform the audit to obtain reasonable assurance whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers the internal control system relevant to the entity's preparation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control system. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of accounting estimates made, as well as evaluating the overall presentation of the consolidated financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### NOTES TO CONSOLIDATED FINANCIAL STATEMENTS AS OF 30 SEPTEMBER 2022

### 1. PRESENTATION

The World Scout Bureau (WSB) is the Secretariat of the World Organization of the Scout Movement (WOSM). The WSB is directed by the Secretary General of WOSM, who is appointed by the World Scout Committee (WSC) and is the Chief Administrative Officer of the World Organization. It has the legal form of an association under Article 60 and following of the Swiss Civil Code. The WSB's key tasks are to:

- support the volunteer members of the World Movement's governance bodies to lead and inspire the global Scout membership of 57 million young people;
- support the capacity building of the NSOs so that they provide effective Scouting in their countries; and
- promote the development of Scouting in countries where it does not exist.

The WSB also supports the promotion of Scouting at all levels, assists in the organisation of World and Regional Scout events such as World and Regional jamborees, and maintains relationships with international organisations whose activities are concerned with youth matters.

### 2. ACCOUNTING POLICIES

# a. Basis for preparing the financial statements

The accounting principles and presentation of the financial statements of the WSB have been prepared in accordance with the requirements of the Swiss Code of Obligations and the Swiss GAAP RPC/FER 21 and the Swiss GAAP RPC/FER framework as a whole. The financial statements have been prepared using historical cost principles and are presented in US Dollars.

The WSB financial statements were prepared and approved for release by the Secretary General and the management on 10 February 2023 and will be submitted for the approval of the WSC.

### b. Foreign currency conversion

Assets and liabilities of operation denominated in foreign currencies other than that of the WSB's functional currency have converted at rates prevailing at the balance sheet date, while transactions during the year in foreign currencies are converted to US Dollars at the average rates. Exchange rate differences are recognised in the statement of operations in the period in which they arise.

### c. Cash and short-term deposits

Cash and cash equivalent include cash holdings, postal check, bank accounts holdings at Global and Regional Support Centres, and deposits with a maturity of less than three months which are valuated at the nominal value.

Short-term deposits are deposits with a maturity from four to twelve months which are valuated at the nominal value.

### d. Accounts receivable

Accounts receivable are reported at face value net of value adjustments to cover collection risk.

### e. Inventories

Inventories are stated at the lower of cost or net realisable value, after deducting corrections to the necessary value.

### f. Restricted endowment assets

Restricted endowment assets include the restricted current assets of the endowment funds maintained by the WSB (Sonia Maguire Legacy Fund, the Bea Campbell Memorial Fund, and the Universal Fund). The main position concerns current accounts with banks valuated at the nominal value and bonds valuated at fair value.

### g. Fixed assets

Fixed assets are capitalised at cost less accumulated depreciation. Depreciation is calculated on a straight-line basis over the expected useful lives of the assets.

| Depreciation period                  | Term           |
|--------------------------------------|----------------|
| Buildings                            | 20 to 50 years |
| Furniture and equipment              | 7 years        |
| Vehicles                             | 7 years        |
| Computers and audio visual equipment | 3 years        |

The carrying amounts of the WSB's fixed assets are reviewed at each balance sheet date to determine whether there is any indication of impairment. If any indication exists, the asset's recoverable amount is estimated.

### h. Financial assets

Financial assets are valuated at actual value for investments and nominal value for deposits (guarantees).

### i. Provision

A provision is recognised when the organisation has a present obligation (legal or constructive) as a result of past event, when it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and when a reliable estimate can be made of the amount of obligation.

# j. Accrued liabilities and deferred income

Accrued liabilities relate to cost of goods received or services rendered where invoices have yet to be received at year-end. These costs are recorded based on management's best estimate of future cash outflows. Deferred income represents payments received in advance for registrations fees.

### k. Restricted funds

- a. Restricted project funds consist of restricted funds received for specific project activities. These funds either cover current obligations for specific projects or activities still in progress at year end or need to be used for implementing the same project activities in the next year subject to approval by donor.
- b. Restricted endowment fund. The WSB maintains three funds which are held and maintained separately from the WSB accounts because of the funds stipulations. The WSB receives allocations of the funds' income from which grants to the WSB are paid. The three funds are Sonia Maguire Legacy Fund, the Bea Campbell Memorial Fund and the Universal Fund. The general purpose of these funds is to enhance the development of Scouting worldwide, particularly in less privileged countries.
- c. Real Estate fund consists of a condominium in Manila, Philippines.
- Funds held in trust are funds retained by the Global Support Centre in Geneva, on behalf of the Africa Scout Foundation.

- b. Operational Risk Reserve: this reserve hedges against the risks of exchange rate variations
- c. Future Events Reserve: this reserve is allocated in anticipation of events taking place, that include activities undertaken to enhance the WSB's operation structure

**Note** \*: In the Eurasia Support Centre, due to the territorial dispute between Ukraine and Russia over Crimea, and the laws that were put in place by the Russian and Ukrainian governments have rendered the Krasnokamenka Scout Centre (Centre) inoperable with no foreseeable economic benefit since 2014. This is further impacted by the Russian Presidential Decree No. 201's amendment to the List of Border Territories on 20 March 2020 that authorizes the government to force alienation of the land plot through either public tender or buy-out at a cadastral price by the Russian government. As of 30 September 2022, the Centre has been fully depreciated with "zero" net book value, and as such, no impairment is necessary.

### **19. SUBSEQUENT EVENTS**

### a. Sale of Krasnokamenka Scout Centre

Following the decision of the WSC on 21 August 2021 authorizing the WSB and the Eurasia Scout Foundation (in consultation with the Eurasia Scout Committee and the Chairpersons of Finance Committee and Audit Committee) to finalize the sale of Krasnomenka Scout Centre (Centre) in line with the market value, the Eurasia Scout Foundation has placed an advertisement on 1 March 2022 and subsequently engaged a real estate agent to auction the Centre. Through the auction, a few interested buyers were identified.

Consequently, following the issuance of the Russian Presidential Decree in March 2020, declaring Yalta region as a border territory, where foreign entities or individuals are not allowed to be owners of the land plots:

- A court order was issued requiring the land plot to be alienated before 27 October 2022. An application for extension had been filed but was subsequently rejected by the court.
- Based on Law clarification from Finance Ministry of the Russian Federation in June 2022, declaring that all property transactions at the boarder territories should go through either the Governmental Financial Commission's approval or using a Russian bank "type C" account that limits the sale proceed from transferring abroad.

Considering the above and the continued uncertainty arising from the ongoing conflict between Russia and Ukraine, that necessitate the need to mitigate any future potential risks and liabilities related to holding the Centre, the Eurasia Scout Committee has decided to sell the Centre following the guideline from the WSC policy on Property Acquisition and Sale, and where the selling price is not important in the present circumstances, through taking the following measures:

- Proceed with selling to the highest bidder, although at discounted selling price.
- Appeal to the court for an extension but this time, substantiate with the name of ready buyer.
- Proceed to obtain the Governmental Financial Commission's approval for the sale proceed to be remitted abroad.
- Prepare for a due diligence search on the potential buyer.

#### b. Restructuring of Eurasia Region

The WSC during its meeting in September 2022, reviewed the progress of its joint Contact Group with the Eurasia Scout Committee to assess the opportunities, challenges, and continued viability of the Eurasia Regional structure. The WSC has tasked the Contact Group to manage the implementation based on the following objectives, with the aim of producing a final report and proposals for decision by the WSC meeting in March 2023:

- Re-emphasize the primary objective for WOSM support structures to nurture and strengthen Scouting at the grassroot level, while ensuring that all NSOs in the Region continue to receive dedicated services and support from WOSM.
- Follow up on the concerns and requests expressed from NSOs in Eurasia, taking into consideration the ongoing review process.
- Request that the WSB prepares an operational proposal that maps out the financial, budget, legal, institutional, and operational consequences and risks of potentially phasing out the governance structures of the Eurasia Region, while ensuring continued dedicated operational support to NSOs.
- Work with the leadership of the European and Asia-Pacific Regions to explore the operational impact, capacity, and timelines of NSOs wishing to potentially transition from the Eurasia Region to the Europe and Asia-Pacific Regions.

Other than the above, at the date of signing of the audited consolidated financial statements, there are no subsequent events that would have material impact on the 2021-2022 financial statements.
