Report of the Independent Auditor on the Consolidated Financial Statements

As independent auditor, we have audited the accompanying consolidated financial statements of the World Scout Bureau, which comprise the balance sheet, statement of operations, statement of changes in funds, cash flow statement and notes for the year ended 30 September 2021. According to the Swiss GAAP FER/RPC, the Performance report is not subject to the audit of the financial statements.

Steering Committee's and Secretary General's Responsibility

The Steering Committee and the Secretary General are responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the Swiss GAAP FER/RPC. This responsibility includes designing, implementing and maintaining an internal control system relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error. The Steering Committee and the Secretary General are further responsible for selecting and applying appropriate accounting policies and making accounting estimates that are reasonable in the circumstances.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Swiss Auditing Standards. Those standards require that we plan and perform the audit to obtain reasonable assurance whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers the internal control system relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control system. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of accounting estimates made, as well as evaluating the overall presentation of the consolidated financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS AS OF 30 SEPTEMBER 2021

1. PRESENTATION

The World Scout Bureau (WSB) is the Secretariat of the World Organization of the Scout Movement (WOSM). The WSB is directed by the Secretary-General of WOSM, who is appointed by the World Scout Committee (WSC) and is the chief administrative officer of the World Organization. It has the legal form of an association under Article 60 and following of the Swiss Civil Code. The WSB's key tasks are to:

- support the volunteer members of the World Movement's governance bodies to lead and inspire the global Scout membership of 57 million young people;
- support the capacity building of the NSOs so that they provide effective Scouting in their countries; and
- promote the development of Scouting in countries where it does not exist.

The WSB also supports the promotion of Scouting at all levels, assists in the organisation of global and regional scout events such as World and Regional jamborees; and maintains relations with international organisations whose activities are concerned with youth matters.

2. ACCOUNTING POLICIES

a. Basis for preparing the financial statements

The accounting principles and presentation of the financial statements of the WSB have been prepared in accordance with the requirements of the Swiss Code of Obligations and the Swiss GAAP RPC/FER 21 and the Swiss GAAP RPC/FER framework as a whole. The financial statements have been prepared using historical cost principles and are presented in US Dollars.

The WSB financial statements were prepared and approved for release by the Secretary General and the management on 28th January 2022 and will be submitted for the approval of the WSC.

b. Foreign currency conversion

Assets and liabilities of operation denominated in foreign currencies other than that of the WSB's functional currency have converted at rates prevailing at the balance sheet date, while transactions during the year in foreign currencies are converted to US Dollars at the average rates. Exchange rate differences are recognised in the statement of operations in the period in which they arise.

c. Cash and short-term deposits

Cash and cash equivalent include cash holdings, postal check, bank accounts holdings at Global and Regional Support Centres, and deposits with a maturity of less than three months which are valuated at the nominal value.

Short-term deposits are deposits with a maturity from four to twelve months which are valuated at the nominal value.

d. Accounts receivable

Accounts receivable are reported at face value net of value adjustments to cover collection risk.

e. Inventories

Inventories are stated at the lower of cost or net realisable value, after deducting corrections to the necessary value.

f. Restricted endowment assets

Restricted endowment assets include the restricted current assets of the endowment funds maintained by the WSB (Sonia Maguire Legacy Fund, the Bea Campbell Memorial Fund and the Universal Fund). The main position concerns current accounts with banks valuated at the nominal value and bonds valuated at fair value.

g. Fixed assets

Fixed assets are capitalised at cost less accumulated depreciation. Depreciation is calculated on a straight-line basis over the expected useful lives of the assets.

| Depreciation period | Term |
|--------------------------------------|----------------|
| Buildings | 20 to 50 years |
| Furniture and equipment | 7 years |
| Vehicles | 7 years |
| Computers and audio visual equipment | 3 years |

The carrying amounts of the WSB's fixed assets are reviewed at each balance sheet date to determine whether there is any indication of impairment. If any indication exists, the asset's recoverable amount is estimated.

h. Financial assets

Financial assets are valuated at actual value for investments and nominal value for deposits (guarantees).

i. Provision

A provision is recognised when the organisation has a present obligation (legal or constructive) as a result of past event, when it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and when a reliable estimate can be made of the amount of obligation.

Accrued liabilities and deferred income

Accrued liabilities relate to cost of goods received or services rendered where invoices have yet to be received at year-end. These costs are recorded based on management's best estimate of future cash outflows. Deferred income represents payments received in advance for registrations fees.

k. Restricted funds

- a. Restricted project funds consist of restricted funds received for specific project activities. These funds either cover current obligations for specific projects or activities still in progress at year end or need to be used for implementing the same project activities in the next year subject to approval by donor.
- b. Restricted endowment fund. The WSB maintains three funds which are held and maintained separately from the WSB accounts because of the funds stipulations. The WSB receives allocations of the funds' income from which grants to the WSB are paid. The three funds are Sonia Maguire Legacy Fund, the Bea Campbell Memorial Fund and the Universal Fund. The general purpose of these funds is to enhance the development of Scouting worldwide, particularly in less privileged countries.
- Real Estate fund consists of a condominium in Manila, Philippines.
- Funds held in trust are funds retained by the Global Support Centre in Geneva, on behalf of the Africa Scout Foundation.

I. Own funds

Own funds consist of unrestricted reserves and the following reserves designated by the WSB for specific purposes:

- a. Registration Fees Risk Reserve: this reserve is used to assist National Scout Organizations (NSOs) which are facing difficulties with the payment of their annual registration fees
- b. Operational Risk Reserve: this reserve hedges against the risks of exchange rate variations
- c. Future Events Reserve: this reserve is allocated in anticipation of events taking place, that include activities undertaken to enhance the WSB's operation structure

Unrestricted Reserve relates to surplus income from previous years that is not allocated to the above specific reserves.

m. Related parties

Related parties is defined as a party having the ability to directly or indirectly exercise significant influence on the other party in making financial or operative decisions. In addition to this, organisations that follow a coordinated purpose with the WSB are deemed to be related parties.

n. Registration fees

In compliance with the decision taken by the WSC, the WSB recognises members' registration fees (current and arrears) and supplementary revenues when cash collection is certain.

o. Contributions, donations, and other income

Contributions and receipts of funds donated for specific purposes are recognised when collection is certain. Other income are recognised on accrual basis and registered in the period to which they relate.

19. SUBSEQUENT EVENTS

Krasnokamenka Scout Centre which is located in Yalta, Crimea is a property registered by the Eurasia Support Centre under a Ukrainian Charitable Organization "Eurasia Scout Foundation", legally known as Charitable Organization Eurasia Regional Scout Foundation. The Centre comprises a land plot of 718 m2 and buildings with a total built-in area of 471 m2. With donations from benevolent individuals and Foundations from different countries, the total amount invested in the construction and subsequent reconstruction of the Centre was US\$ 367,486. The construction of the Centre began in 1997 and the first Scout event was held in 1999.

Due to the territorial dispute between Ukraine and Russia over Crimea, and the laws that were put in place by the Russian and Ukrainian governments have rendered the Krasnokamenka Scout Centre inoperable and no longer fit for purpose since 2014. This is further impacted by the Russian Presidential Decree No. 201's amendment to the List of Border Territories on 20 March 2020 that authorizes the government to force alienation of the land plot through public tender or buy-out at a cadastral price by the Russian government.

Considering the above, the Eurasia Scout Committee has decided on 22 May 2021 to initiate the selling process adhering to the guidelines from World Scout Committee's Policy on Property Acquisition and Sale. Following the decision, the World Scout Committee has on 21 August 2021, authorized the World Scout Bureau and the Eurasia Scout Foundation (in consultation with the Eurasia Scout Committee and the Chairpersons of Finance Committee and Audit Committee) to finalize the sale of the Krasnokamenka Scout Centre in line with the market value as advised by an independent valuation firm.

Other than the above, at the date of signing of the audited consolidated financial statements, there are no subsequent events that would have material impact on the 2020-2021 financial statements.
