Report of the Resolutions Committee of the 19th Africa Regional Scout Conference for Amendments on Constitutional Proposals and Proposals requiring Two-thirds Majority

By the deadline of 31st May 2025, the Africa Support Centre had received two Resolutions proposing amendments to the Constitution of the Africa Scout Region.

The first Resolution was moved by the Africa Scout Committee and addresses alignment with changes in the WOSM Constitution adopted at the World Scout Conference in Cairo last year. The Second was proposed by Cabo Verde and South Africa and seeks to amend the terms of office of the elected members of the Africa Scout Committee.

In accordance with the Constitutional Timelines these resolutions were shared for the consideration of the Conference in Conference Document 11a.

By the deadline of 20 September 2025, at 9:45am, local time in Antananarivo, the Resolutions Committee received one amendment by Member Organizations to the proposals for Amendments to the Africa Region Constitution (relating to Regional Scout Events and Election Frequency for the Africa Scout Committee)

According to Rule 8.1a of the Rules of Procedure, any Amendments to these Draft Resolutions shall be decided by the same two-thirds majority as the main motion.

All amendments were carefully considered by the Resolutions Committee against the Conference Rules of Procedure. In considering the Amendments, the Resolutions Committee paid attention to consistency and clarification to the Draft Resolutions. In doing so, the Resolutions Committee has not considered the potential additional resources required to deliver on the Resolutions if these amendments are accepted by the Conference.

The Resolutions Committee deemed that the submitted amendment was non-compliant to the guidelines of drafting resolutions and amendments, as it was neither a clarification nor represented a middle position between the resolution and the current situation and the mover was notified of this and the amendment withdrawn.

As a result, conference, it is the recommendation of the Constitution Committee that the Conference has 2 Constitutional Amendments to consider as per conference Document 11a
